SCCO Board of Directors

We'd like to take this opportunity to extend a warm welcome to our newest members of the SCCO Board of Directors: Clayton Bretey, and Joyce Poggensee.

Clayton, of Bill Savings Advocate, has recently launched an "upside-down fundraiser" for SCCO where donations come from the savings his team finds for your business.

Joyce is a Christian speaker and has a ministry called Jesus Ever Present, JEPMinistry.com. She has spoken to groups and given messages at church on Sundays. She also speaks for a ministry called Stonecroft.

The Board of Directors for SCCO serves an important role for our organization. Meeting bi-monthly, they oversee the financials, and ensure that we operate with ethical integrity and accountability. They assist in effective future planning for SCCO events and fundraisers and help to communicate and promote them within the community. They advise as to the direction the organization should go with foresight, oversight and insight. We appreciate all of our SCCO Board members, past and present !

It's Time For A Fresh New Look!

SCCO has called the building at 1105 8th Street in Harlan, Iowa, our office and Hero's Attic "home" since 2011. Over the years, we have made many improvements on the interior of the building, and we have added the SCCO Restore onto the north side of the building. However, as you can see from these photos, it's high time that the exterior of the building receive a little T.L.C., as well.

Thanks to a generous grant from Community Foundations of Southwest Iowa, and a matching grant from Modern Woodman that we received after our 2022 Golf Tournament, the main SCCO building will have a fresh new look this spring. A local contractor is scheduled to apply a coat or two of paint to our building's exterior in the next few months. Keep checking in with us, and you're sure to see a dramatic improvement very soon!

Hero's Attic Wish List

*Items most requested by our clients are **good-working used appliances**. Stoves, refrigerators, washers, and dryers, often have a long waiting list. Also needed are dressers, and clean, stain-free beds of all sizes.*

*Please consider making SCCO Hero's Attic "your donation location" for these types of used home furnishings. **It's tax deductible!***

FIVE TO THRIVE We will continue to meet the needs of people here in Shelby County with home repairs and affordable furnishings to the very best of our ability, but only YOU can insure the long term success of SCCO by supporting us with a monthly contribution. A commitment of as little as \$5.00 a month helps provide us with a predictable, sustainable working budget.

Thank you!
